

BOROUGH OF LODI'S
2ND ANNUAL

FOOD TRUCK FESTIVAL

A stylized illustration of a teal food truck. The truck has a dark teal sign on its roof that says "Food Truck" in white cursive. A red and white striped awning covers the service window. Inside the window, a chef with a beard and a tall white hat is smiling. Behind him are various kitchen items: a wooden cutting board, two knives, a pumpkin, some tomatoes, and a pot on a stove. A burger is served on a plate on the counter in front of the chef. The truck has large grey wheels and orange bumpers.
