

LODI POLICE DEPARTMENT

Attention all Lodi Residents

On Saturday September 25, 2010 the Lodi Police Department will be participating in Operation take back New Jersey. This campaign, which is being coordinated with the Drug Enforcement Administration, gives our LOCAL RESIDENTS opportunity to dispose of their old and unwanted prescription legend medications.

The site to drop off your old medications will be at the Lodi Borough Hall Lobby at 1 Memorial Drive from 10 AM – 2PM. The following is how the your medication may be turned in on September 25th

- This program is **anonymous** and all efforts should be made to **protect the anonymity** of individuals disposing of medications. No questions or requests for identification should be made. Individuals should deposit medication freely and independently.
- No effort should be made by law enforcement to count, inventory, or log medications. Law enforcement personnel should not handle the medications at any time.
- The individual may dispose of medication either in its original container or by removing medication from its container and disposing directly into the drug disposal box. If the original container is submitted, the individual should be encouraged to remove the prescription label if it contains any personal identifying information.
- Liquid products, such as cough medicine, should remain sealed in their original container. The depositor should ensure that the cap is tightly sealed to prevent leakage.
- We are unable to collect Syringes on this date.

If you have any further questions you can contact the Lodi Police Department at (973) 473 – 7600 ext 120 and consult the operation take back NJ website listed below.
