

SENIOR CITIZENS CLUB

The Senior Citizens Club meets twice a month, the 2nd and 4th Tuesday, at our very own Senior Center located at 5 Walnut Place behind The Lodi Boys Club.

We run our club very professionally with officers and an executive board. We always have informational speakers and/or entertainment at our meetings. We run exciting, affordable trips including Atlantic City quite often. We also have many pizza or hot dog parties donated by local businesses.

The club is also open every Thursday afternoon for many activities including dancing, bingo, card playing, and socializing. Coffee and cake is always served.

We have free transportation to pick you up if you need it. Call Reini @ 201-982-0051. Join with a friend or join alone and make new friends.

Call Elena 973-773-0730 to get all the information you need to join the club.

We are hoping to see you soon.
